4.3. Third-Party Software. This Agreement is limited to the software and services expressly set forth herein. Certain software included in the NEMORx Subscription is licensed to NEMO by third-party licensors and is subject to such third-party's usage guidelines and restrictions. Client agrees to comply with the guidelines and restrictions of such third-party licensors as set forth in this Agreement, User Materials or accessible through the Website. In addition, there may be additional third-party or NEMO software that may be necessary or desirable for use with the NEMORx Service or the NEMORx Subscription. Such additional software must be licensed separately.

5. AUTHORIZED USERS

5.1 Authorized Users. The number of Authorized Users licensed under this Agreement is the number of users Client identifies in the Order Interface. Client may not have more than two (2) Secondary Authorized Users per Primary Authorized User. If Client is an individual, and not a corporation, limited liability company, partnership, or other legal entity, then Client must qualify as, and will be deemed to be, a Primary Authorized User for the purposes of this Agreement. If Client is not an individual, then Client must designate at least one Primary Authorized User under Client's account. Each Authorized User's access to NEMORx will be governed by this Agreement. Client is responsible for ensuring that Authorized Users comply with this Agreement. Authorized Users include only those individuals whose credentials and identity have been authenticated by NEMO and who have completed the registration process and accepted the terms of this Agreement. After completing these requirements, NEMO will issue the Authorized User a unique User ID for his or her access to NEMORx.

5.2. Client's Responsibility for Authorized User Activity. After Client has received a Sales Order for NEMORx, Client must identify one or more Authorized Users as Client's system administrator, who will be responsible for, and enabled to modify, the configuration and management of Client's account. Client's system administrator(s) will be

able to enroll and assign roles and privileges for all Authorized Users. Client is responsible for all obligations under this Agreement arising in connection with Authorized Users' use of NEMORx. Client will be liable for any act or omission by any of Authorized Users under this Agreement. Any such act or omission of any Authorized User under this Agreement will be deemed to be a breach of this Agreement by Client. Client is responsible for updating the Authorized Users in the event of the termination of employment of any of Authorized User (or, if the Authorized User is not an employee, of the termination of the relationship with Client that resulted in the individual being an Authorized User or otherwise having access to NEMORx).

5.3. Reassignment of Authorized Users. Client may permanently reassign an Authorized User license from one individual to another individual by notifying NEMO of the Authorized User whose use of NEMORx is being terminated and the individual to whom the Authorized User license will be reassigned. Secondary Authorized User licenses may be reassigned only to other Secondary Authorized Users who are part of the nursing or other clinical support or administrative staff of a Primary Authorized User. Once the new Authorized User's credentials have been authenticated by NEMO and once the new Authorized User has completed the registration process and has accepted the terms of this Agreement, NEMO will provide a User ID to the new Authorized User. The User ID of any Authorized User whose use is terminated will be de-activated. Temporary employees may access NEMORx by being temporarily assigned an Authorized User license while the Authorized User that the temporary employee is supporting is temporarily reassigned a Secondary Authorized User license.

5.4. Adding Authorized Users. Client may request to add more Primary Authorized Users under Client's account by updating the information on the Order Interface. If any additional Primary Authorized Users are added other than on the anniversary of the Effective Date, then the Subscription Fees for such additional Primary Authorized Users will be pro-rated for the initial, partial year of NEMORx. Added Primary Authorized User licenses will be co-terminus with the Term.

5.5. Subtracting Authorized Users. A reduction in Primary Authorized Users will be permitted only as of the next renewal term.

6. SECURITY

6.1. NEMO's Responsibilities. NEMO uses a variety of security technologies and procedures to help protect Data and any Personally Identifiable Information that Client provides in connection with Client's account from unauthorized access, use, or disclosure. For example, NEMO stores Personally Identifiable Information provided by Client on computer servers with limited access that are located in controlled facilities. Access controls are audited annually and access to Personally Identifiable Information is monitored in real time. Log files are controlled and monitored with intrusion detection. Additionally, when NEMO transmits sensitive Personally Identifiable Information (such as a credit card number) over the Internet, NEMO protects it through the use of encryption, such as Secure Sockets Layer (SSL) protocol. NEMO will maintain an audit log of actions taken through NEMORx related to electronic Protected Health Information, and will provide a copy of the audit log to Client upon request.

6.2. Client's Responsibilities. Client is responsible for the security of Client's own computer systems, the security of Client's and Authorized Users' access to and connection with NEMORx, and the privacy and security of Client's Data and Personally Identifiable Information, subject to the terms and conditions of this Agreement. Client will establish appropriate confidentiality, privacy, and security policies and safeguards consistent with applicable law, including HIPAA, if applicable, and industry standards and will train Authorized Users on such policies and safeguards. Without limiting the generality of the foregoing, Client will ensure that Authorized Users use only their own assigned User IDs and never share their User ID or use another's User ID. Client will adopt and maintain security precautions for User IDs to prevent their disclosure to and use by unauthorized persons and will promptly notify NEMO if the security or integrity of a User ID or password has been compromised.

6.3. Access Outside of the U.S. Client agrees that Personally Identifiable Information and all other information provided under this Agreement may be processed and stored on servers in the United

NEMORx TERMS OF SERVICE

States of America, the laws of which may be deemed by other countries to have inadequate data protection. Accordingly, Client represents and warrants that: (a) all Authorized Users located in countries outside the United States of America have consented and continue to consent to the processing of such information as provided in this Agreement and to the transfer of that information to, and/or storage of that information in, the United States; and (b) Client may otherwise allow Authorized Users to access NEMORx from outside the United States without violation of any country's data-security or data-transfer laws, including the European Union Safe Harbor Directive.

7. CONFIDENTIALITY

During the Term, either party may receive information about the business, financial affairs, current or future products or technology, trade secrets, workforce, customers, or any other information about the other party that is treated or designated by the other party as confidential or proprietary, or would reasonably be viewed as confidential or as having value to the other party's competitors ("**Confidential Information**"). NEMORx and any nonpublic information or materials (tangible or intangible) provided or accessible to Client by NEMO pursuant to this Agreement constitute Confidential Information of NEMO. The receiving party will take all steps necessary to protect the confidentiality of the Confidential Information, and will not disclose, provide, or otherwise make available any Confidential Information to any third-party without the disclosing party's prior written consent except (i) to its own attorneys, accountants and other agents, contractors or licensors for internal business purposes only or to support the delivery of NEMORx, (ii) to meet legal or regulatory requirements, such as under a court order or to a government institution if required or authorized by law, or (iii) in the event of a sale to, merger with or acquisition of a party, or others authorized by this Agreement to receive Confidential Information of the disclosing party, by a third-party. In accordance with this provision, the receiving party will use at least the same precautions as it uses in regard to its own confidential information, but not less than reasonable care. The receiving party will promptly report to the disclosing party any unauthorized use or disclosure of any Confidential Information. The confidentiality obligations of this Section will survive for five (5) years after the termination or expiration of this Agreement, except (a) in the case of trade secrets, the confidentiality obligations of which will endure the lifetime of the trade secret and (b) Protected Health Information, which will be subject to the Business Associate Agreement as provided in Section 8.1 (Business Associate Agreement).

8. PROTECTED HEALTH INFORMATION

8.1. Business Associate Addendum The Business Associate Addendum (below) sets forth NEMO's obligations with respect to Protected Health Information. To the extent of any conflict between this Agreement and the Business Associate Agreement with respect to Protected Health Information, the terms and conditions of the Business Associate Agreement will control.

8.2 Client's Obligations. If Client is a "covered entity" under HIPAA, Client will (a) not request NEMO to use or disclose Protected Health Information in any manner that would not be permissible under HIPAA if done by Client unless specifically permitted for a business associate under HIPAA, (b) comply with the minimum necessary requirements under HIPAA with respect to communications with NEMO and (c) not transmit electronic Protected Health Information over any open network unless the transmission is encrypted according to the appropriate standard of care.

9. SUBSCRIPTION FEES AND PAYMENT

9.1. Subscription Fees. Client will pay the Subscription Fees as set forth in the Fee Schedule, as well as any associated taxes, late fees, and surcharges. NEMO reserves the right to modify its fees from time-to-time by updating the Order Interface. Client understands and agrees that Client's access and use of NEMORx may require the payment of third-party fees (such as for associated devices, hardware, and internet services) and that Client is solely responsible for paying any such fees.

9.2. Payment. As a condition to Client's use of NEMORx, Client will provide NEMO with valid credit card information, sufficient to enable payment processing from a credit-card issuer that NEMO accepts, with available funds sufficient to pay all applicable fees under this Agreement ("**Payment Method**"). Client authorizes NEMO to collect all amounts

due under this Agreement from Client's Payment Method, including, if applicable, late fees and any other outstanding charges. Unless otherwise specified on the Sales Order, Client's Payment Method will be billed immediately after Client purchases the licenses to NEMORx and on a monthly basis thereafter. This authorization will remain valid until ninety (90) days after Client terminates NEMO's authority to charge Client's Payment Method.

9.3. Late Payments. Client will promptly update Client's account information whenever Client's Payment Method information changes (including, for example, Client's name, address, e-mail address, telephone number, and credit card number and expiration date or other payment method information). NEMO may (a) suspend NEMORx or (b) terminate this Agreement pursuant to Section 12 (Term and Termination) if such update is not promptly provided and/or if at any time NEMO is unable to process payment of any amount payable under this Agreement using Client's Payment Method. Late payments due to an inability to process payment information may be subject to a percentage-based late fee not to exceed the late fees permitted under applicable law. Should NEMO initiate legal proceedings to collect upon late and/or outstanding payments due under this Agreement, and Client will be liable for all the costs NEMO incurs to collect these charges, including collection agency fees, reasonable attorneys' fees, and court costs. In the event of early termination, Client will not be eligible for any refunds for amounts paid or any waiver of amounts payable.

9.4. Taxes. The Subscription Fees set forth in the fee schedule do not include taxes. Client will be responsible for the payment of all taxes associated with this Agreement (other than taxes based on NEMO's gross receipts or net income).

9.5. Disputes. If Client would like to dispute any NEMO charges on Client's statement, Client must notify NEMO in writing within ten (10) days after charges are available on a statement from Client's credit card issuer or the invoice reflecting the charges in question has been received from NEMO. If Client does not dispute the charges within ten (10) days, Client waives any right to contest the charges.

9.6. Enhanced Reimbursement or Other Funding. Client understands and agrees that although NEMORx qualifies as a Qualified EHR and is certified as a Certified EHR, as those terms are defined under the American Recovery and Reinvestment Act of 2009 and its implementing regulations ("**ARRA**"), Client's use of NEMORx will not necessarily enable Client to be eligible for any enhanced reimbursement or other funding that may be available from government or commercial payors or other sources relating to electronic health records technology. NEMO warrants that it will make good faith efforts to ensure that NEMORx will continue to be certified as a Complete EHR, as that term is defined under ARRA, by an authorized testing and certification body recognized by the Secretary of Health and Human Services and will continue to meet the requirements and standards necessary for Client and Client's Authorized Users to achieve "meaningful use," as defined in ARRA. The warranties set forth in this Section 9.6 apply only to the extent Client is eligible for and otherwise compliant with the referenced statutes. Client understands and agrees that Client's use of NEMORx will not necessarily cause Client to be eligible for any enhanced reimbursement or other funding that may be available from government or commercial payors or other sources relating to electronic health records technology. Client further understands and agrees that any failure by NEMO to ensure NEMORx remains qualified as a Qualified EHR and is certified as a Certified EHR shall **not** be a material breach of this Agreement as contemplated by Section 12.2.1 below.

10. CLIENT'S USE OF NEMORx

TO THE EXTENT PERMITTED BY APPLICABLE LAW, NEITHER NEMO NOR ITS LICENSORS ASSUME ANY LIABILITY OR RESPONSIBILITY FOR DAMAGE OR INJURY (INCLUDING DEATH) TO CLIENT, OTHER PERSONS OR PROPERTY ARISING FROM ANY USE OF THE CONTENT OR NEMORx.

13.4. Disclaimer of Warranties. EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, NEMORx AND ITS AFFILIATES, AGENTS, CONTRACTORS AND LICENSORS: (A) PROVIDE THEIR RESPECTIVE SERVICES AND SOFTWARE ON AN "AS IS" BASIS; (B) DO NOT WARRANT THE SEQUENCE, ACCURACY, COMPLETENESS OR RESULTS OBTAINED FROM NEMORx; (C) EXPRESSLY DISCLAIM ALL WARRANTIES AND CONDITIONS, EXPRESS, IMPLIED OR STATUTORY, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT; AND (D) DO NOT WARRANT THAT THE OPERATION OF NEMORx WILL BE UNINTERRUPTED OR ERROR-FREE. THE LAWS OF SOME JURISDICTIONS DO NOT PERMIT WAIVERS OF CERTAIN WARRANTIES, SO PORTIONS OF THE ABOVE DISCLAIMER MAY NOT APPLY TO CLIENT.

13.5. Limitations of Damages and Liability. IN NO EVENT WILL NEMO, OR ANY NEMO AFFILIATE, AGENT, CONTRACTOR, OR LICENSOR, BE LIABLE TO CLIENT OR TO ANY THIRD-PARTY FOR ANY COMPENSATORY, CONSEQUENTIAL, INDIRECT, SPECIAL, INCIDENTAL, EXEMPLARY OR PUNITIVE DAMAGES UNDER THIS AGREEMENT OR IN CONNECTION WITH NEMORx PROVIDED BY NEMO UNDER THIS AGREEMENT, INCLUDING DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF DATA OR BUSINESS INFORMATION, OR OTHER PECUNIARY LOSS ARISING OUT OF THE USE OR INABILITY TO USE NEMORx, DATA, EVEN IF NEMO HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND EVEN IF AVAILABLE REMEDIES ARE FOUND TO HAVE FAILED OF THEIR ESSENTIAL PURPOSE. FURTHER, EXCEPT FOR NEMO'S INDEMNITY OBLIGATIONS UNDER SECTION 13.6 (INDEMNIFICATION) IN NO EVENT WILL NEMO'S ENTIRE LIABILITY TO CLIENT OR ANY THIRD-PARTY UNDER OR IN CONNECTION WITH THIS AGREEMENT EXCEED THE SUBSCRIPTION FEES PAID BY CLIENT TO NEMO UNDER THIS AGREEMENT DURING THE THREE (3) MONTH PERIOD IMMEDIATELY PRECEDING THE DATE THE APPLICABLE CAUSE OF ACTION AROSE, AND NEMO'S LICENSORS, AFFILIATES AND AGENTS SHALL NOT BE LIABLE TO

CLIENT OR ANY THIRD-PARTY FOR ANY CLAIM ARISING UNDER THIS AGREEMENT. THE LAWS OF SOME JURISDICTIONS DO NOT PERMIT THE DISCLAIMER OF LIABILITY FOR CERTAIN TYPES OF DAMAGES, SO PORTIONS OF THE ABOVE MAY NOT APPLY.

13.6. Indemnification.

13.6.1. Client Indemnification. Client will indemnify, defend and hold harmless NEMO and its officers, directors, employees, representatives, agents, contractors and licensors (the "**Indemnified Parties**") from and against any and all third-party claims, actions, losses, liabilities, damages, costs and expenses (including attorneys' fees) made, incurred, assessed or awarded against NEMO by any third-party arising out of or in connection with: (a) any health care or professional services that Client or Authorized Users provide, including all patient-care decisions resulting from or involving the use of, or inability to use, NEMORx, Content or Data; (b) Client's or any Authorized User's misuse of NEMORx, NEMORx Subscription, or User Materials; (c) material breach of this Agreement; and (d) any claims or disputes concerning Data, including regarding ownership or infringement. Client will not settle or compromise such claim, except with prior written consent of NEMO. The Indemnified Parties may participate in the defense or settlement of such claim at their own expense and with its own choice of counsel.

13.6.2 NEMO Indemnification. NEMO will defend Client and pay any damages finally awarded against Client (including attorneys' fees) arising out of or in connection with any third-party claims that the NEMORx Subscription, NEMORx, NEMORx, or User Materials misappropriate or infringe any third-party United States patent, copyright, trademark or trade secret. NEMO will have no liability for any such claim to the extent that: (a) it is based on the modification of the NEMORx Subscription, NEMORx, or User Materials by Client, an Authorized User or someone other than NEMO, its contractors or agents; (b) it results from a failure of Client to use an updated version of the NEMORx or User Materials made available to Client by NEMO at no additional Subscription Fees; or (c) it is based on the combination of NEMORx Subscription, NEMORx or User Materials with any other software, program, device or materials not provided by NEMO if such infringement or misappropriation would not have occurred but for such use or combination. If any claim that NEMO is obligated to defend has occurred or if NEMO reasonably believes such a claim may occur, then Client will permit NEMO, at NEMO's option and expense: (a) to procure for Client the right to continue using the NEMORx Subscription, NEMORx or User Materials; (b) to replace with non-infringing alternates or modify the NEMORx Subscription, NEMORx or User Materials so that it or they become non-infringing but with substantially equivalent functionality; or (c) reasonably failing the above, to terminate this Agreement and pay to the Client any prepaid subscription fees, prorated to the termination date.

THIS SECTION 13.6.2 CONSTITUTES CLIENT'S SOLE AND EXCLUSIVE REMEDIES AND NEMO' ENTIRE OBLIGATION TO CLIENT WITH RESPECT TO ANY CLAIM THAT THE NEMORx SUBSCRIPTION, NEMORx OR USER MATERIALS INFRINGE OR MISAPPROPRIATE, OR MISAPPROPRIATE THE RIGHTS OF ANY THIRD-PARTY.

14. GENERAL

14.1. Export Law; Government Use. The NEMORx Subscription, NEMORx or User Materials and related technology are subject to United States export control laws and may be subject to export or import regulations in other countries. Client will not export NEMORx Subscription, NEMORx or User Materials, and Client warrants that Client's receipt of NEMORx Subscription, NEMORx or User Materials does not violate the laws or regulations, including applicable sanctions or embargoes, of the United States or any other country. NEMORx is a "commercial item" as that term is defined at FAR 2.101, consisting of "commercial technical data", "commercial databases", "commercial computer software" and "commercial computer software documentation" as such terms are used in 48 C.F.R. 12.212 and is provided to the U.S. Government only as a commercial end item with restricted rights. 14.2. Assignment, Successors. Neither this Agreement nor any of Client's rights or obligations hereunder may be assigned or delegated by Client in whole or in part without the prior written approval of NEMO. Notwithstanding the foregoing, Client may assign this Agreement, or change person designated to administer this Agreement on behalf of Client, to one of its Authorized Users provided that in the case of an assignment such Authorized User accepts all the obligations and duties hereunder and provides a substitute Payment Method. Any assignment or delegation in contravention of the foregoing will be null and void. Subject to the foregoing, this Agreement will bind and inure to the benefit of the successors and assigns of Client and NEMO.

14.3. Construction. Whenever used in this Agreement, unless otherwise specified or clearly intended by the context, the terms "includes," "including," "e.g.," "for example," "such as," "for instance," and other similar terms are deemed to include the term "without limitation" immediately thereafter; and the term "or" is deemed to permit multiple, rather than strictly alternative, options and so construed to mean "and/or." The headings of sections and subsections of this Agreement are for convenience of reference only and are not intended to affect the interpretation or construction of any provision of this Agreement.

14.4. Entire Agreement. This Agreement is the complete and exclusive statement of the agreement between NEMO and Client and supersedes any proposal or prior agreement, oral or written, and any other communications between the parties in relation to the subject matter of this Agreement.

14.5. Force Majeure. Notwithstanding any other provision of this Agreement, any failure of NEMO to perform or delay in the performance of its obligations under this Agreement due to any cause or event not reasonably within NEMO's control, including but not limited to casualty, labor disputes, failure of equipment or carriers or utilities, compliance with governmental authority or Act of God, will not constitute a breach of this Agreement, and NEMO's performance will be excused during such period of delay.

14.6. Governing Law. This Agreement, the Sales Orders, and amendments hereto, will be governed by and construed under the laws of the State of Michigan exclusively; without regard to conflicts of laws and as such laws apply to contracts between Michigan residents performed entirely within Michigan.

14.7. Arbitration; Choice of Forum and Venue. As the exclusive means of resolving through adversarial dispute resolution any disputes arising out of this Agreement, the Sales Orders, and amendments thereto, or Client's license, access, and use of NEMORx, a party may demand that any such dispute be resolved by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, and each party hereby consents to any such disputes being so resolved. The arbitrator will be empowered to award only those damages that are permitted in this Agreement, subject to any disclaimers of damages and liability limits set forth in this Agreement. The arbitration will be conducted in Southfield, Michigan. The award of the arbitrator will be final and binding upon the parties without appeal or review except as permitted by Michigan law. The award rendered by the arbitrator will include all reasonable costs of the arbitration and reasonable costs for attorneys, experts, and other witnesses. Judgment on the award rendered in any such arbitration may be entered in the United States District Court for the Eastern District of Michigan or the state courts of the State of Michigan located in Oakland County. Should NEMO initiate legal proceedings to enforce the agreed-upon Venue set forth in this Section 14.7 for litigation arising out of or related to this Agreement, the Sales Orders, and amendments thereto, or Client's license, access, and use of NEMORx, Client will be liable for all the costs NEMO incurs to enforce same, including reasonable attorneys' fees and court costs. THE PARTIES EXPRESSLY WAIVE AND FOREGO ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION ARISING OUT OF OR RELATED TO THIS AGREEMENT, THE SALES ORDERS, AND AMENDMENTS THERETO, OR CLIENT'S LICENSE, ACCESS, AND USE OF NEMORX.

14.8. Advice of Legal Counsel. Each party acknowledges that, in executing this Agreement, it has had the opportunity to seek advice from legal counsel and that the person consenting on its behalf has read and understood all of the terms and provisions of this Agreement. This

Agreement will not be construed against any party by reason of the drafting or preparation thereof.

14.8. Authority. Each party represents and warrants that it has all necessary rights and authority to enter into this Agreement and grants the rights and licenses and carry out its obligations under this Agreement, including that Client has authority to enter into this Agreement on behalf of its Authorized Users.

14.9. Notice. All notices required or permitted under this Agreement will be in writing and delivered by confirmed facsimile, email, courier or overnight delivery services, certified mail, or (if specified by NEMO and the functionality of NEMORx) online via Client's account. In each instance, notice will be deemed given upon receipt. Notice contact information for each party is provided via Client's online account. Either party may change its notice address by giving written notice to the other pursuant to this Section.

14.10. Waiver and Severability. Waiver of a breach of or right under this Agreement will not constitute a waiver of any other or subsequent breach or right. If any provision in this Agreement is held by a court of competent jurisdiction to be unenforceable, that provision will be changed and interpreted so as to best accomplish the objectives of the original provision to the fullest extent allowed by law, and the remaining provisions of this Agreement will remain in full force and effect.

2.5 Limitations on Uses and Disclosures. Notwithstanding anything to the contrary in this Addendum or the Terms of Service, Business Associate: (i) may use or disclose Protected Health Information only if such use or disclosure is in compliance with this Addendum; and (ii) shall not use or disclose Protected Health Information in a manner that would violate HIPAA or the HITECH Act if done by Covered Entity, unless such use or disclosure is permitted by HIPAA and the HITECH Act for Business Associate.

3.4 Subcontractors. Business Associate shall ensure that any of its subcontractors or agents that create, receive, maintain, or transmit Protected Health Information on behalf of Business Associate: (i) agree to the same restrictions and conditions that apply to Business Associate with respect to such Protected Health Information; and (ii) agree to implement reasonable and appropriate safeguards to protect Protected Health Information.

3.5 Access. Business Associate shall make available and provide access to Protected Health Information in a designated record set to the Covered Entity to allow Covered Entity to meet its obligations under 45 CFR Section 164.524 and the HITECH Act.

Notwithstanding the foregoing, no legal privilege or protection shall be deemed waived by virtue of this provision.

BUSINESS ASSOCIATE ADDENDUM

3.9 HITECH Compliance. Business Associate shall comply with 45 CFR Sections 164.308, 164.310, 164.312, and 164.316 of the Security Rule as if Business Associate were a covered entity under HIPAA. 4. Responsibilities of Covered Entity.

4.1 Notice of Privacy Practices. Provide Business Associate with Covered Entity's notice of privacy practices, as well as any changes to such notice, to the extent such notice affects Business Associate's permitted or required uses and disclosures of Protected Health Information.

4.2 Obtain Permissions. Obtain any and all necessary authorizations, consents, and other permissions by individuals for Business Associate to fulfill its obligations under the Terms of Service and to use or disclose Protected Health Information as permitted under this Addendum.

4.5 Secure Transmissions. Transmit or provide Protect Health Information to Business Associate in a secure manner.

5. Term and Termination.

5.2 Termination for Cause. Upon either Party's knowledge of a material breach or violation by the other Party of this Addendum, HIPAA or the HITECH Act, the non-breaching Party may: (i) terminate the Terms of Service upon notice to the breaching Party if the breaching Party does not cure the breach or end the violation within thirty (30) days from receipt of written notice specifying the breach, or (ii) report the violation to the Secretary if neither termination of the Terms of Service nor cure of the material breach is feasible.

5.3 Effect of Termination. Except as provided below, upon termination of the Terms of Service for any reason, Business Associate shall return or destroy all Protected Health Information. In the event that Business Associate determines that return or destruction of Protected Health Information is infeasible, Business Associate shall extend the protections of this Addendum to such Protected Health Information and limit further uses and disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible, for as long as Business Associate maintains such Protected Health Information. This provision shall survive the termination or expiration of this Addendum or the Terms of Service for any reason.

6. Miscellaneous.

6.1 Interpretation. The Parties intend that this Addendum be interpreted consistently with their intent to comply with HIPAA, the HITECH Act, and other federal and state law. Except where this Addendum conflicts with the Terms of Service, all other terms and conditions of the Terms of Service remain unchanged. The Parties agree that, in the event an inconsistency exists between the Terms of Service and this Addendum, the provisions of this Addendum will control.

6.2 No Third-Party Beneficiaries. Except as expressly stated in the Terms of Service, the Parties do not intend to create any rights in any third parties.

6.3 Amendment. NEMO may in its sole and exclusive discretion modify the terms and conditions of this Addendum from time-

to-time by posting such changes to the Website. By continuing to use and access NEMORx, Client agrees to this Agreement, as modified. If Client does not agree to the Agreement as modified, Client's only option is to immediately terminate use of and access to NEMORx; provided, however, that any such amendment shall comply with state and federal law, including HIPAA and the HITECH Act.

6.6 Waiver. No change, waiver, or discharge of any liability or obligation under this Addendum on any one or more occasions shall be deemed a waiver of performance of any continuing or other obligation or shall prohibit enforcement of any obligation, on any other occasion.
